Date: - 15/06/2021

Dear Members of the Staff, Students and Parents,

Greetings and Good Wishes!

Further to School Council Selection Meeting, conducted last week, it is with immense pride that we declare the School Council for the Academic Year 2021-2022.

Nominations to the School Council, in various capacities, were made by members of the staff, following which a process of live poll, questionnaire, group discussion and personal interview were conducted and students subsequently appointed in positions of responsibility.

To our elected Student Council -We, take this opportunity to congratulate you and your families, on having been bestowed with this honour, and we trust that you will carry out your responsibilities to the best of your abilities - resonating the faith that the institution has placed in you!

Congratulations to each one of you, once again!

Sonia McPherson

Vice Principal
